

LUXURIOUS TWO BEDROOM APARTMENTS WITHIN RESORT

We are very proud to present this exciting new resort project being built in Long Beach, Iskele. This is an excellent opportunity to own a tangible asset in one of the fastest growing parts of North Cyprus. The apartment style, residential complex is located just five minutes from the nearest sandy beach with its beautiful landscape and breathtaking views. Perfectly located between the golden sands of Long Beach and the historical sights of the region, this project combines every home comfort an apartment could provide. Each apartment offers a magnificent blend of contemporary living with a fully equipped kitchen that boasts a beautifully crafted design. This massive project provides lots of on site amenities such as: restaurants, cafes, a karaoke bar, indoor & outdoor swimming pools, larger than average children's playground, a sports area, a kindergarten and a SPA/Turkish bath. The resort has a selection of studio, one and two bedroom apartments ready to move in while there are also several blocks of properties available to buy still under construction. Great investment opportunity for full time living or great as just a holiday home!! ****VIEW & RESERVE EARLY TO AVOID DISAPPOINTMENT****
