

TWO BEDROOM TURKISH TITLE VILLAS

STYLISH TWO BEDROOM TURKISH TITLE VILLAS These 'smart' villas offer a top of the range experience in Mediterranean living. Set just above the small fishing harbour of Iskele Bogaz, the sea is a short walk away and the delights of the local restaurants of which there are several typify Cypriot living at its best. An early morning visit to the harbour and you can eat barbequed fresh fish with the local fishermen. The villas themselves are designed for modern living having a range of 'smart' packages that will ease your busy lifestyle or help you relax knowing you have remote control over your property security and home functions. The properties have both sea and mountain views, a barbeque area and a swimming pool within the price. Furthermore, there is both parking and an internal garage. This is an opportunity not to be missed. Viewing is highly recommended.
