THREE BEDROOM SEASIDE VILLA This newly renovated three bedroom villa sits on a good size plot of land and offers a very beautiful living location. Found in the charming village of Alagadi, it is only 50m from the sea and the local beach. There is a seaside restaurant at the road end, offering fine food and local fish specialities. The famous sandy turtle beach is only a short walk away. The property itself offers a separate kitchen diner and the vendor has the choice of kitchen cabinets and fittings. The good size sitting room has an open fireplace for those cozy winter evenings. Three good size bedrooms upstairs, two with balconies leading off, giving sea or mountain views. The property also benefits from plenty of comfortable shaded decking areas and balconies with fine views upstairs. The bedrooms are also given the choice for the style of fitted wardrobes to be installed. There is air conditioning infrastructure. This is a rare opportunity to buy an Alagadi village property so close to the sea.
