

ONE BEDROOM LUXURY HOTEL CONCEPT APARTMENTS

ONE BEDROOM LUXURY HOTEL CONCEPT APARTMENTS These apartments currently under construction in Esentepe, are in an elevated position giving magnificent views over the countryside down to the Mediterranean. The project has unrivalled facilities and offers a fantastic investment opportunity on this hotel concept development. The on site hotel will offer full management services to owners of the apartments, who will be able to leave the onerous task of booking arrangements and servicing to the hotel management. Apartments vary in size but all offer a very comfortable living space. The apartments come with full white goods and air conditioning. The project is close to Esentepe village and its' markets and restaurants. A regular bus service is offered from the project down to its' own beach bar, restaurant and the sandy beaches that front this facility. Facilities: Infinity pool, Spa & massage, Vitamin bar, Turkish bath, Steam room, Gym and many many more facilities Completion: October 2025
