

ONE BEDROOM APARTMENTS FOR SALE IN ISKELE BOGAZ WITH 84-MONTH PAYMENT PLAN

ONE BEDROOM APARTMENTS FOR SALE IN ISKELE BOGAZ WITH
84-MONTH PAYMENT PLAN We are pleased to present these one bedroom
apartments for sale, on a site with Dubai's Palm Jumeirah resemblance in North
Cyprus. The site is less than a kilometre from the sea, with great scenic views of both
the Mediterranean Sea and the iconic outdoor pool design below. Consisting of 7
blocks of high-rise buildings and a new concept of Arabic Oriental design, shisha,
ethnic foods, and cocktails, as well as oriental arches and column architecture will
give homeowners a new and refreshing experience in North Cyprus. On the
seventeenth floor of each building, there will be a rooftop pool exclusive to
homeowners. Reception and card system of elevators will ensure the exclusivity of
these areas. Each apartment block will consist of studios, one bedroom apartments,
and two bedroom apartments. There are no ground floor units, as the ground floor
will be dedicated to reception and lounge. From the first floor upwards, prices
increase with floor number, and views. All apartment units come with ceramic
flooring, underfloor heating in the bathroom, AC infrastructure, kitchen cabinet,
smart lock on the entrance door, hanging toilets, sink, shower cabin, and boiler
(water heater). Getting the unit furnished is possible through buying design package
