

TUNNEL CAR WASH (CAFE & BAR)

TUNNEL CAR WASH / CAFE & BAR This new business venture is for sale due to personal circumstances. The location is perfectly positioned in central Kyrenia with a huge car parking facility. The business itself comprises a state of the art tunnel car wash, with all of the relevant equipment and machinery for a full cleaning and valeting programme. Vehicle throughput is 90/100 per day and no form of advertising has yet been engaged. In addition there is a road side cafe with a recently acquired drinks licence sitting on a busy road, that sees literally 100's of passing vehicles and pedestrians every day For full details: Jack Lobb +90 533 822 43 33
