

FOUR BEDROOM LUXURY MEDITERRANEAN VILLA

This exceptional villa has been meticulously designed to offer an exceptional living experience. It elegantly features four double bedrooms, complete with centralized air conditioning, thermal cladding, and underfloor heating for year-round comfort. Additional amenities include a laundry room and a private courtyard equipped with its own water well. The master bedroom boasts his and her walk-in wardrobes and a spacious ensuite bathroom that overlooks the sea. Key highlights of the villa include expansive terraces that seamlessly integrate indoor and outdoor living, an infinity-edge swimming pool, and private gardens. With gated access featuring fingerprint entry and smart home technology, this villa embodies a luxurious lifestyle, all framed by stunning views of the valley leading to the Mediterranean. Meticulously designed to offer an exceptional living experience
