TWO BEDROOM FURNISHED LUXURY APARTMENT The apartment is set on the Safakoy village development. It is decorated to a very high standard and comes fully furnished with high quality furnishings and has integrated kitchen appliances. The work tops are of granite. The kitchen opens out onto a spacious lounge which is tastefully decorated and furnished and the lounge opens out onto a small private courtyard area. To one side of this courtyard is a storage facility and the washing machine and clothes drier. All hidden nicely away. The good size bedrooms are located through an arched doorway with the en-suite master bedroom having access to the pool and its' own small garden terrace, through patio doors. All windows and doors have the benefit of fly screens to prevent the ingress of those annoying little buzzers. As added bonuses to this property, it actually has its' own water supply and sky/blue tooth connections. It is also a short walk to the sites own restaurant and bar, which is a hive of local activity. All taxes have been paid. The communal charge is £1700 per year and the site is immaculate. **HIGHLY RECOMMENDED**
