

SHOPS FOR SALE - PRIME LOCATION

We are pleased to present the opportunity to purchase one of these luxurious prime location shops located in central Kyrenia, just a stone's throw from lots of local amenities.

The developer is offering a particularly excellent deal on these shops which range between 150m² and 200m².

The ideal location makes way for easy access to all other major towns, schools or universities and is only a 40 minute drive from Ercan Airport.

The project is made up of three blocks of apartments with shops on the ground floor level. The project boasts 24 hour on site security, a generator, covered parking, gym, sauna, central internet & satellite systems, beautifully manicured communal gardens and a communal pool.

Completion is due June 2025.
